General and Revenue Departments

Sir,

Adverting to your letter No.6018/G.F.29-98 of the 20th October 1902, requesting that a detailed estimate for the water supply of the Belagola Village from the rising main of the Vani-Vilas Water Works, be prepared &c, I have the honor to inform you that this water supply work has been completed by this Depart-ment at a cost of Rs.8,164, but the Vice President of the Mysore City Municipality, who was requested by the Executive Engineer Water Supply and Stores Division, to take over charge of the work and to sign the completion certificate, declines to do so without the sanction of Government-Vide Copy of his docket No.350 of the 18th ultimo (enclosed) As this is a portion of the main scheme for the water supply to Mysore City and was carried out to pre-vent the villagers from contaminating the water in the Devaroy channel above the intake to the turbines, it should I consider, be placed under the charge of the Belagola Pumping Station Staff. I therefore request that you will be so good as to authorize the President of the Mysore City Municipality to take over charge of the work and to return the completion certificate herewith sent duly signed.

I have the honor to be,

Sir,

Your most obedient servant,

W McHutchin

Chief Engineer of Mysore.
